Plymouth Mental Health Receives 2022 Best of Plymouth Award

Plymouth Award Program Honors the Achievement

PLYMOUTH December 15, 2022 -- Plymouth Mental Health has been selected for the 2022 Best of Plymouth Award in the Counselor category by the Plymouth Award Program.

Each year, the Plymouth Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Plymouth area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Plymouth Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Plymouth Award Program and data provided by third parties.
