

Job description

Who we are:

Are you looking for a stress-free, supportive and positive atmosphere that allows you to focus on client care and also offers excellent benefits? If so, Plymouth Mental Health is the place for you to have the private practice opportunity you have been looking for!

Our mission is to empower our clinicians to grow within their careers and focus on providing the highest quality client-centered therapy possible. We offer highly competitive pay & benefits, paid time off, work schedule flexibility and much more!

To continue providing superior therapy services to the surrounding communities, we are opening a new office location in Ann Arbor! We have full-time and part-time contractual (1099) opportunities available as we work to bring on wonderful clinicians like yourself!

What we offer:

- Full medical, dental and vision benefit package
- Flexible Paid Time Off (PTO)
- Up to a \$1,000 sign-on bonus
- Highly competitive clinical pay / generous fee split (LLMSW: 50/50 | LMSW: 60/40)
- Fee split range: \$50-\$107 per session
- Continuing education opportunities
- Flexible schedule options (both in-person and Telehealth)
- No-cost LLMSW supervision
- Steady caseload of referrals; grow at your own pace!
- Amazing administrative team handles scheduling, insurance, and billing in a timely manner
- Modern and beautifully furnished shared office spaces

Our Requirements/compensation/additional details:

- LLMSW, LMSW, LPC (Licensed in Michigan)
- Must be available to see clients-in office
- Must be willing to see a minimum average of 10 clients per week
- LMSW/LPC must be individually paneled with BCBS (helpful if also paneled with UnitedHealthcare, Priority Health, Aetna)
- Evening hours may be needed to accommodate after work/school demand
- Must have experience completing intake assessments, using the DSM-V for diagnosing, writing progress notes, and conducting individual therapy sessions
- Electronic medical records platform (SimplePractice) and billing services provided. All you need to do is show up, see clients, and complete the required clinical paperwork!
- This job is very autonomous, and the clinician will be able to focus on providing quality services and building their ideal schedule and caseload
